EVERGREEN SPOTLIGHT: Party Designs

Parties and celebrations are gatherings where people are sharing something in common. Why not take advantage of that and create Party t-shirts many can use at once? One of the most common Party T-shirt themes out there is the classic Bachelor/Bachelorette designs.

Expand this concept to other parties, celebrations and events in your vicinity and local community and you'll quickly realize the potential in this nugget.

There have been reports of people selling anywhere from 50-200 shirts of a single design for birthday parties as well as for events like marathons and charities. There are many opportunities out there, so go out and get busy!
